Municipality: _____

Reported by: _____

Account Number: _____

Phone Number: _____

First Time Reported? _____

If no, how many times previously reported: _____

Codes for Reporting Streetlights:

- (1) Light Out (2) Light Burning During Day (3) Light Cycling On & Off (4) Light Damaged
- During Recent Storm (5) Other: _____

Location of Entergy Streetlight

It is a good practice to mark the pole with some ribbon. Please give direction such as street address. Examples include: 3rd light south of Main Street on Jones Street, across from 100 Washington Street. Include a sketch if necessary. If a fixture(s) has to be replaced, it will be replaced with a fixture of the comparable wattage or lumen output.
